EL SISTEMA AEOLIAN GIFT PROGRAM

There are many ways to support El Sistema Aeolian, whether it be participating in our Patron Program, donating at one of our concerts, or volunteering, we have made giving easy. Another way to purchase an item from our "Gift Catalogue".

WHY THE GIFT PROGRAM?

We understand that not everyone can commit to long-term giving through our Patron Program, but still want to see that their gift has meaning and a positive tangible impact on the program.

HOW IT WORKS

If you are interested in supporting El Sistema Aeolian by participating in the Gift Program, please consider a purchase from the items we have listed. Whether it be a cello that we will use today or a violin that will be used by a child in the future, no instrument or supply will go unappreciated.

CAN I SEE MY GIFT IN ACTION?

Yes! After we have secured your gift, we will arrange a time for you to see the impact of your generosity. In the case of an instrument, we will offer the opportunity for you to meet the participant directly benefiting from your gift and to hear it in performance.

For more information on El Sistema Aeolian or the Gift Catalogue, please feel free to contact us at elsistema@aeolianhall.ca.
